WELCOME PAWS + CLAWS

You've barked up the right tree this time, because anything is pawsible at the all-inclusive Hard Rock Hotels in Mexico and the Dominican Republic. Your four-legged family member deserves a vacation as much as you do. With Unleashed, our new pet-friendly program, your companion can put all 4 legs up and relax, rock a dog day afternoon on his/her memory foam bed and stroll through exclusive Unleashed areas, while you enjoy paradise.
